

Agents of Positive Change:

*A Leadership Conference for Deans and
Administrators Responsible for
Student Affairs & School Culture*

February 11-13, 2009

**The Hyatt at Fisherman's Wharf
San Francisco, California**

Secondary Schools Department of the National Catholic Educational Association

Agents of Positive Change

February 11-13, 2009 • San Francisco, California

PROGRAM FOCUS: Exchange ideas and develop innovative ways to address school culture, discipline, policies, technology, faculty coaching and much more at this interactive and resource-rich conference. Participants will gain:

- Workable solutions to everyday challenges
- Techniques to sustain community-centered schools
- Ways to directly link policies to the mission of the school
- Processes to leverage long and short term changes

WHO: High school deans, assistant principals and administrators responsible for student affairs and school culture

COSTS: \$495 per person, or \$425 if two or more from the same school register. Hotel costs \$155 per night before tax. Financial assistance available upon request.

LOCATION: Fisherman's Wharf Hyatt, San Francisco

CONTACT & REGISTRATION: Program agenda, facilitators' bios and registration information available at the Secondary Schools Department webpage at <http://www.ncea.org>, or contact Christiane Connors, 202.337.6232, cconnors@ncea.org.
