

Academy of Holy Angels Site Visit

Visit Academy of Holy Angels just a few miles from the Convention Center and experience how the school's one-to-one computing program continues to transform learning and life there. The visit will include time with faculty, technology integration specialists, technology coordinators, and administrators. Learn how AHA solved the many challenges that arose including hardware selection, financing, teacher training, safety issues, parental concerns, student orientation, legal, insurance and acceptable use issues. Each participant will visit three classrooms on a regular school day and see a variety of instructional content, strategies and software applications in use

Witness an exemplary technology program.

Lunch provided!
