

THE CORE ELEMENTS OF PRIESTLY FORMATION PROGRAMS

In recognition of the 10th anniversary of *Seminary Journal*, the Seminary Department has introduced a new publication series: *The Core Elements of Priestly Formation Programs*. These collections of articles celebrate the “best practices” and wisdom and insight of a wide variety of seminary professionals and church leaders. With only a few exceptions the articles were selected from the archives of *Seminary Journal* (1995-2005). Articles included from other sources are printed with permission.

The Core Elements series will be an ongoing publishing effort of the Seminary Department. The framework for the first three volumes reflects the four pillars as identified in the Bishops’ Program of Priestly Formation: *Intellectual, Spiritual, Human* and *Pastoral*. The fourth addresses the topic of “addictions” and their implications for ministry formation.

These four volumes are produced as an in-service resource for faculty and staff development and personal study and as a potential source book of readings for those in the formation program. New collections of readings will be added annually.
